RE: MUR 5031

Dear Ms. Boyt:

This is to request an extension of time until August 1, 2000 to respond to this **Matter Under Review** for the 17th District Victory Fund, John Gianulis, Chairman and Connie L. Engholm, Treasurer.

This extension is due to the loss of time from the Fourth of July holiday and vacations and the need to review records from activities in the last election cycle which occurred now almost two years ago. The extra time will allow us to locate and review these records, to consult, as necessary, with others involved in the activities, and to prepare our response to the Commission.

If you have any questions, please do not hesitate to contact the undersigned.

Connie L. Engholm
Treasurer
17th District Victory Fund
